

4 YEARS OLD

READ!

- Four-year-olds enjoy books with lots of rhyming words and pictures.
- Read books with your child in your native language every day.

TALK!

- Ask your child what, where, when and why questions, like “What is the dog doing?”
- Describe items you are choosing at the grocery store or things you see on a walk.

PLAY!

- Encourage your child to write — set up a writing center with paper, pencils, crayons, markers. Pretend writing is OK. Ask your child to read to you what he wrote.
- Play outside — do a nature walk in the back yard; throw, kick and bounce balls.
