

GRADES
3 - 5

READ!

- Read books, magazines, digital resources. Read everything!
- Designate family reading time every day. Don't forget to continue to read aloud to your child.

TALK!

- Talk about the most exciting parts of the day using descriptive words and phrases.
- Talk about topics of interest and encourage your child to support a point of view or opinion – wanting a later bedtime, more time outside, etc.

PLAY!

- Look for interesting words as you're travelling, waiting, shopping, etc. Can you figure out what it means?
- Play with your child in creating a summary in ten words or less of something read, seen, or heard.
